

Nebraska Scientific 20–Year Member Award

The NATS organization annually awards science educators who have been active members in NATS for 20 years with a medallion. This is presented at the NATS Annual Fall Conference and is sponsored by Nebraska Scientific, Omaha, NE. www.nebraskascientific.com

2004 – This was the first year 20 year members were recognized with the medallion so the awardees are identified along with the number of years they have been members.
